

May 2020

To All RTCC Staff, Students & Parents/Guardians:

End of Year Celebration Information

We are on our way to completing the year, and none of us could have imagined this ending to the school year. We cannot say thank you enough to you the parents, students, and families for working with us through the last few months and adjusting to a new way of school. Thank you to the teachers and support staff who worked above and beyond in communicating with students and managing their own learning as well as managing a new way to teach. We appreciate all of you, your work, and your efforts.

RTCC's last day of school will be **JUNE 17th, 2020.** Below are dates, reminders and requirements for attendance. If you have any questions please feel free to contact us at 802-728-9595

End-of-the-Year Calendar

- **June 18th, 2020 Please join us for an opportunity to celebrate our students and they work they achieved this school year.**

RTCC Recognition Night at Vermont Technical College 6:00 PM

- Students are expected to look professional for this event. Students who earned NTHS are expected to wear their sashes. Everyone is expected and required to wear a mask.
- The gathering will be supported by social distancing protocols.
- The ceremony will take place at the VTC parking lot, with a beautiful view of the surrounding countryside.
- There will be no tent but there will be a stage across which each student will march and receive their certificate of completion.
- Students and guests will remain in cars. Vehicles will need to be spaced out every other parking spot with the front rows reserved for students. We anticipate space for 2 cars per family.
- We anticipate that the event can be live-streamed via the wireless connectivity at VTC.
- A special expanded graduation program will include lists of all awards and scholarships that our graduates are receiving. The list of honors received by a student will also be mentioned upon receipt of the certificate.
- A photographer will be hired to take pictures of each student on the stage so that families will not leave cars to come forward to take pictures. We will arrange to have pictures available for students, families and friends at a later date.
- RU will have its ceremony on the evening of January 19th. RTCC will have theirs on the 18th, as scheduled. Rain date is June 20th at VTC- time to be determined.
- More information will follow as we get closer to the date.

- **Quarter 4 Assembly June 15th through Google Hangout, an invitation will be sent to the students the day before.**
- **June 4th 2020- National Technical Honor Society and Technical Excellence induction ceremony. A link and or video will be sent out.**
- **Even though some of our sending school students graduate before our last day, their attendance at RTCC is required until our last day.**

Recognition Night

- 1) ***Dress Requirements: Recognition Night is a formal ceremony and therefore, the following will be asked of students participating:***

Men: collared shirt, tie, dress slacks, and dress shoes.

Women: Business acceptable dress slacks, dress, or blouse & skirt.

An appropriate guide is to dress as you would for a formal interview. This is an opportunity for you to dress up ☺

Please contact your son or daughter's teacher if any of these requirements are impossible to meet!

All of us at RTCC look forward to honoring our students at Recognition Night. If you have any questions or comments as to how these arrangements or guidelines affect you please call the school at 728-9595.

Thank you for being part of the RTCC community and allowing us the opportunity to work with, teach, and get to know your child. It is truly our pleasure!

Sincerely, Jason Gingold, Director

RTCC
